EXTENSION OF THE THIRD COUNTRY PROGRAMME FOR THE CONGO

Note by the Administrator

1. The third country programme for the Congo covers the period from 1988 to 1991. Following political and economic changes in 1991, the Government has requested a one-year extension of the third country programme. The objectives established in the original country programme remain valid for the period of the extension: an increase in agricultural production, restructuring of the public sector, strengthening of aid coordination, development of the social sector and human resources management.

2. The Administrator wishes to inform the Council that he has approved the extension of the third country programme for the Congo for a period of one year beginning 1 January 1992.
